

THE BUSINESS OF ART

has partnered with Gallery 35 to present:

PLEIN AIR on MAIN STREET

Dear Artists,

Please be considerate to our Main Street Merchants and all other pedestrians on Main Street. Event participants may not block exit/entrance paths and must keep a clear path for the right of way for all pedestrians and ADA access points. Enjoy your visit on Main!

St. George Historic Downtown

Main street is full of historic buildings, shops, restaurants, art galleries, and sculptures as far as the eye can see. Beautiful open areas, parks, and water features are abundant along main.

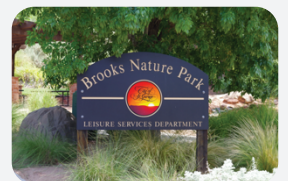

Brooks Nature Center

452 North Main

Located at the top of Main Street, Brooks Nature Park with its serene Cox Pond is a neighborhood park whose architecture and focal point are provided by nature.

Gallery 35

35 North Main Street

Gallery 35 is the newest addition to the visual arts located 35 North Main Street in historic Downtown St George. This new gallery is a collaboration between the Dixie Watercolor Society, and Arts to Zion/Southern Utah.

St. George Art Museum and Pioneer Center

47 North 200 East

Ancestor Square

Corner St. George Blvd and Main Street

Ancestor Square is the compilation of 12 separate buildings, six of which have historic registry designations with rich histories.

Town Square

50 South Main

Town Square features several dramatic water features; a splash pad fountain with jets that spray high into the air, a lazy river to cool your feet, and a splashing waterfall. Shade pavilions with tables and chairs provide a relaxing place to watch children playing in the water.
